## MEMORANDUM

**TO:** Judy Lindsey, MaineDOT

**FROM:** Susan Redmond

**DATE:** October 13, 2009

**RE:** **Augusta Exit 112 and 113 Environmental Assessment  
Task 3.3.14 Utilities**

---

### Water and Sewer

The Greater Augusta Utilities District provides water and sewer services within the study area as shown on the attached document/files. The document/files are provided in the following formats:

1. Adobe document
2. ArcReader files
3. GoogleEarth files
4. Shapefiles

### Electricity

I asked Central Maine Power for a copy of their shapefiles/maps that would show their facilities. They declined to provide them. However, I did learn that Central Maine Power can provide three-phase power (for commercial facilities) throughout the study area with the exception of a small portion of Old Belgrade Road. Electrical transmission lines cut across the study area (Tax Map 1, Lot 38A; Map 1, Lot 5A; Map 1, Lot 9A).
